

EdeS Beauty Products Information

Bio-Active Skin Supplements

Bio-Active Skin Supplements are convenient and efficacious additives to intensify and accelerate the effects of EdeS treatments. EdeS Bio-Active Skin Supplements contain Bio-Active ingredients that work on the skin, influence cellular exchange and improve metabolism. They may be used to boost the results of a salon treatment or be used as a part of the Home Care regimen.

- R2711 DNA Enhancer**
A highly potent supplement to stimulate skin rejuvenation. Contains a high concentration of DNA extracted from salmon roe and formulated with Allantoin to counter the effects of aging. Improves skin smoothness, hydration, elasticity and tone to help reduce skin coarseness, lines and wrinkles.
- R2621 Pimples**
A highly effective natural bactericide to help suppress the eruption of acne. Contains Rosemary distillate, Xylitol, Lactitol and Algae extract to cleanse, purify, control excess sebaceous secretion and eliminate bacteria.
- R2622 Subside**
A fast working skin supplement to calm and subside irritate skin. Contains Allantoin, Panthenol, Oak root extract to help counter the effects of an allergy. Helps reduce and resist against sensitivity, irritations and soothes skin.
- R2623 Pigmentation**
An efficacious natural formulation to reduce skin discolouration. Contains Mulberry root extract, UVA-URSI and Panthenol to help balance skin pigmentation, reduce freckles and age spots.
- R2624 Revitalise**
An energising supplement to accelerate cellular exchange. Contains vital energizing elements, linden distillate and Menthol to refresh the skin from stress and tiredness.
- R2625 Moisture**
A moisturizing skin supplement to help counter dehydration and to improve the skins ability to retain moisture. Contains Panthenol, Sodium Hyaluronate, Saccharide Isomerate and Cornflower water to enhance skin tone and suppleness.
- R2626 Scars**
An invigorating supplement of Vitamin C to help the skin heal, prevent scarring, increase hydration and lightens pigmentation. Contains Vitamin C, Panthenol and Sodium Hyaluronate to help the skin look young and fresh.
